

OFFICIAL EXCURSION - Šumava National Park

June 25, 2022

Option C

Hiking and culture

8:30

Departure from bus parking ([map here](#))

You will receive a lunch package

10:00 – 13:00

Povydří – The Vydra river ([details here](#))

- The path along the river is designed for hikers and people in wheelchairs. Installed information panels describe the most significant sights of the area.
- Total length of 7.2 km of a downhill easy hiking trail.
- The river bed with huge boulders forms rapids, cascades and so-called giant pots formed by stone scouring over the centuries.
- On the hillsides along the river, we can see unique rocky formations, so-called stone seas.

13:00 – 13:30

Transport from Čeňkova pila to Rábí

13:30 – 15:30

Rabí Castle – a ruin of the middle-age castle ([details here](#))

- The largest castle ruin in Bohemia.
- The unique monument of the Gothic architecture over the Otava River built in the half of the 14th century.
- Since the Late Middle Ages, residential and ceremonial rooms were united with an ingenious defence system.
- The dominant feature of Rabí is a monumental residential tower (a keep), from above which it is possible to view the major part of the Southwestern Bohemia.
- Guided tour (Palace and Tower) in the English language for a fee of 10 € (paid on the 1st conference day at registration desk)

Till 18:00

Return to Hluboká na Vltavou
